

MAKE MOBILITY A REALITY

IMOVE NETWORK LAUNCH CONFERENCE

17th-18th November 2016

Cappella Farnese - Palazzo d'Accursio - Piazza Maggiore 6, Bologna, Italy

Beginning as an Lifelong Learning Programme funded project in January 2014, iMove now becomes an umbrella organisation open to new members. The vision and the aims of the network will be presented during the launch conference taking place in Bologna city center 17-18th of November 2016.

The conference is an opportunity to discuss the future and the challenges of mobility in Europe with key actors, experts and decision makers involved, from policy making to practitioner level.

During the conference you can find:

- a “*Mobility Consortium Helpdesk*” providing info and support about how to set up and manage a consortium, as well as information about the iMove Network and the opportunity to join.
- a “*Dissemination Fair*” where outputs and results of successful projects related to learning mobility can be shown and promoted to visitors and conference guests.

Simultaneous translation will be provided during the whole conference.

We look forward to welcome you in Bologna.
